

A Note from Our
Interim Pastor

We want to thank Artie Geter for his outstanding service as our Chairman of Deacons for this past church year. Artie has helped us make our way through the uncharted waters of the COVID 19 pandemic and he has served our church well. Being a deacon chair is a difficult assignment, but Artie has been very thorough and faithful to the task. Beginning on September 1, our new deacon chair is Leeman Barge, also a wise choice for the position. JABC is a fortunate church to have a fellowship of deacons who love the Lord, love this church and are eager to serve our congregation. We are looking forward to good days ahead.

This Sunday, we will begin a new sermon series titled “*The Short Books*”. Each week, we will focus on one of the shorter books of the Bible, and discover the message for today found in these brief books. We will begin with III John, written by John the disciple. This book only contains about 220 words, depending on which translation we read. If you want to read III John ahead of the service Sunday, you will be encouraged by these words.

I hope you all enjoy a great Labor Day weekend!

A REMINDER

This weekend is Labor Day weekend and the Church Office will be closed on *Monday, September 8* for the Labor Day Holiday

Music Notes

Sunday, we had a great service with great music and a great message. Thanks to Rebecca for a great job accompanying my solo. And thanks to all of you for continuing to make our services (Wait for it!!!) grrrrrrreat.

Let me again congratulate Barbara Talley (19), Judy Davenport (34), and Rebecca Barge (38) on their years of service here at Jefferson Avenue. These are three grrrrrrreat (do you see a pattern forming??) ladies, who ALWAYS go the extra mile. They are grrrreat servants. Thanks again, ladies.

Let me leave you with this thought:

The Value of a Smile

It costs nothing, but creates much good. It enriches those who receive it without impoverishing those who give it away. It happens in a flash but the memory of it can last forever. No one is so rich that he can get along without it. No one is too poor to feel rich when receiving it. It creates happiness in the home, fosters goodwill in business, and is the countersign of friends. It is rest to the weary, daylight to the discouraged, sunshine to the sad, and nature’s best antidote for trouble. It cannot be bought, begged, borrowed, or stolen for it is something of no earthly good to anybody until it is given away willingly.

I hope you have a smilingly grrrrrrreat week.

Hummmmmmmmm-bly Yours, Ken

Just a Thought . . . We have already been inundated with political garbage, and we still have 2 more months before the election in November. And to be honest, I wish these folks would adhere to one of the things my mother taught us – “If you don’t have anything good to say about someone, don’t say anything at all.” But it seems that if politicians did that, some of them would not run any ads at all. So let’s see if we can avoid all the crap that’s out there, or wade through it and try to discover what is true. Then pray like crazy, and then go and vote. And trust God to put the people in office who will honor Him.
